A modern outdoor furniture set is displayed on a patio. The set includes a two-seater sofa and a single armchair, both with light grey cushions and wooden frames. Two decorative pillows with green and white patterns are on the sofa. In front of the sofa is a low, rectangular coffee table with a wooden slatted top and a dark metal frame. On the coffee table are a stack of magazines, a small potted plant, and a rolled-up magazine. The patio floor is made of large, light-colored square tiles. A hanging plant with green foliage is visible in the upper left corner. The background wall is made of light-colored stone or concrete blocks.
